You helped keep **14** truck loads of trash out of the landfill

You saved **334,243** gallons of water

This Month's Tip for Increasing Recycling

Pizza boxes are made from corrugated cardboard. However, once the box becomes soiled with grease, cheese and other foods it cannot be recycled because the paper fibers will not be able to be separated from the oils during pulping process. Instead, please compost pizza boxes. Go to <http://www.alpinewaste.com> for more tips or to schedule a discounted waste audit
